Darlene's Report: January & February 2014

Retail Food Establishment inspections- 5

Plan review- pre-operational inquiry - 1

Mobile Food – inquiry - 1

Complaints- 1

Beauty Salon Inspection - 1

Inquiries: Mold Testing, Radon Testing, Well Water Testing, Communicable disease- Scabies, Plus, Tattoo & Body Art Procedure licensing.

Right now there is nothing in the Borough code to stop, permanent make-up (tattoo). The state law is that tattooing/body piercing must be done in a separate store from Hair and Waxing, and that the tattoo person must be licensed by the State of New Jersey. The Board decided to look into changing the Borough Code to prevent tattoo and body piercing in town, and the present it to the Mayor and Council.

Rabies- 2 dog bites- Quarantine and Evaluation for potentially dangerous animal, report came back and the dogs were fine, but the owners need to have more control over their dogs.

Local Health Report, gathered information for the report that is due the end of the month.

Attended Training on, Leadtrax- database training, in Trenton, NJ, and another on Animal Control- “NO Kill Animal Shelter”

Old Business: None

New Business: The flu clinic is scheduled for 10/22/14, between 10:00 a.m. and noon.

Discussed Salt going into the ground water, small discussion, no issue.

Discussed no Liquor licenses allowed in Saddle River, small discussion, no issue.

Councilman Kurpis discussed that the Mayor and Council need more participation from the public, and also discussed the fire hydrant issue that is before the Mayor and Council right now.

Open to Public: No Public

Bills: Valley Health Affiliates, Nursing and Education Contract (4th Qtr. 2013), approved to pay.

Adjournment
